

# Crossborder Information

- USD is the preferred currency to use when traveling in Africa. In North Africa (North of Sudan and Nigeria) the preferred currency is Euro. Always try and carry small denominations as they usually don't have change but keep in mind that money changers and banks prefer \$50 or \$100 denominations
- Credit cards – VISA credit cards are the preferred credit card - Mastercard not usually accepted.
- For updated medical travel advise and vaccinations, contact any Netcare Travel Clinic (012) 644 3700 – see [www.travelclinic.co.za](http://www.travelclinic.co.za) for branch details.
- 3<sup>rd</sup> Party Insurance is compulsory for every country. The “Comesa Yellow Card Insurance”, which is 3<sup>rd</sup> Party for all countries, may be purchased in Zambia, details as follows: Zambia State Insurance, Premium House Building, Independence Avenue, Gr. Flr, Lusaka, Tel no. +260 1 229343 (in Lusaka) – contact person is Crispin Sakala, or Zimbabwe, Eagle Insurance Co. in Harare. West Africa uses different third party insurance, it's called Carte Brune and is obtainable at most insurance companies in the region.
- Park fees – remember to budget for park fees if going into Tanzania – approximately USD40 per vehicle and USD20 – USD50 per person per day, depending on reservation
- If you are not the registered owner of the vehicle, you should obtain a letter of authorization from the owner / financial institution.
- Ensure that your passport is valid.
- Visas – you may contact The Visa Shop on (011) 341-0837 or (021) 421-1059 or (031) 304-1419 – visas to African countries are their specialty.
- All fees mentioned may change at any time and should be used only as a guideline.
