## RE: REQUEST TO CHARTER MV.LIEMBA

Reference is made in respect to your letter dated 01<sup>st</sup> November, 2019 regarding the above captioned subject. We would like to express our appreciation for your interest to hire our vessel (MV. Liemba) for the stated reasons.

We have thoroughly gone through your request and deliberated it deeply. However, we are sorry to inform you that the vessel in question was suspended since last year on the safety grounds following the technical status of the machineries onboard resulting from old age of the same. The ship has been declared unseaworthy for sailing to the Government and relevant Maritime Regulatory Authorities hence calling for major overhaul of the same prior resumption to operations.

In respect to the above explanations we regret to inform you that we cannot honor your request until the ship undergoes rehabilitation.

Regards,

Philemon Bagambilana  
**For: Chief Executive Officer**
